CME Eligibility

Please select your CME eligibility from the options below. Please note that the CME eligibility status you select will determine the certificate that is generated upon course completion.

CME Eligible
Individuals who have completed an allopathic (MD), osteopathic (DO), or an equivalent international medical degree AND successfully completed an Accreditation Council for Graduate Medical Education (ACGME) accredited residency training program or equivalently accredited international residency program. GME residents are not eligible for CME credit or certificates. Selecting this status will result in a CME Certificate.

CE Eligible
Individuals who are health care professionals requiring a certificate for contact hours. Selecting this status will result in a Certificate of Completion.

Certificate of Completion
All individuals are eligible for a Certificate of Completion, if available for the course. If you are not CME Eligible or CE Eligible, please select this option.
