

How do I register for a course that is hosted on <https://learning.facs.org/>?

Step 1: Click on the course link and the word “register”. See below as an example.

Step 2: Login using your ACS Membership ID and password. Your Membership ID has eight digits; use a leading zero if your number only has seven digits.

\* If you do not know your password, click on the “forgot password” to reset.

Step 3: Click on the course link to purchase/register through the ACS eStore.

**Bulletin Brief**

## ACS Brief CME June 4 2024

Overview Faculty Accreditation **Register**

Access to [ACS Brief CME June 4 2024](#) can be purchased at the ACS Store.

You may enroll in the course free of charge.

You will be asked to register for the course and provide information to complete the registration process.

Once you have completed the registration process, an email will be sent to you with the confirmation and course login information.

Step 4: Add the course to the cart.

COURSE

## ACS Brief CME Jun 4 2024

### Instructions

We are delighted you are using the ACS *Bulletin Brief* educational content as part of your Continuous Professional Development (CPD).

The *Bulletin Brief* is a weekly newsletter that delivers updates on important advances the American College of Surgeons (ACS) and other stakeholders are making to help provide optimal care.

### CME Eligibility

Please select your CME eligibility from the options below. Please note that the CME eligibility status you select will determine the certificate that is generated upon course completion.

**CME Eligible**  
Individuals who have completed an allopathic (MD), osteopathic (DO), or an equivalent international medical degree AND successfully completed an Accreditation Council for Graduate Medical Education (ACGME) accredited residency training program or equivalently accredited international residency program. GME residents are not eligible for CME credit or certificates. Selecting this status will result in a CME Certificate.

**CE Eligible**  
Individuals who are health care professionals requiring a certificate for contact hours. Selecting this status will result in a Certificate of Completion.

**Certificate of Completion**  
All individuals are eligible for a Certificate of Completion, if available for the course. If you are not CME Eligible or CE Eligible, please select this option.
