

How do I register for a course that is hosted on <https://learning.facs.org/>?

Step 1: Click on the course link and the word “register”. See below as an example.

Bulletin Brief

ACS Brief CME June 4 2024

Overview Faculty Accreditation **Register/Take course**

Please [login](#) or [register](#) to take this course.

You may enroll in the course free of charge.

You will be asked to register for the course and provide information to complete the registration process.

Once you have completed the registration process, an email will be sent to you with the confirmation and course login information.

Step 2: Login using your ACS Membership ID and password. Your Membership ID has eight digits; use a leading zero if your number only has seven digits.

* If you do not know your password, click on the “forgot password” to reset.

CME Eligibility

Please select your CME eligibility from the options below. Please note that the CME eligibility status you select will determine the certificate that is generated upon course completion.

CME Eligible
Individuals who have completed an allopathic (MD), osteopathic (DO), or an equivalent international medical degree AND successfully completed an Accreditation Council for Graduate Medical Education (ACGME) accredited residency training program or equivalently accredited international residency program. GME residents are not eligible for CME credit or certificates. Selecting this status will result in a CME Certificate.

CE Eligible
Individuals who are health care professionals requiring a certificate for contact hours. Selecting this status will result in a Certificate of Completion.

Certificate of Completion
All individuals are eligible for a Certificate of Completion, if available for the course. If you are not CME Eligible or CE Eligible, please select this option.

[Your course is available on learning.facs.org](#)

Step 8: You will find the course that you registered for under the header “In-Progress Activities.” Click on the “Learner Dashboard” tab, click on the “In-Progress Activities”. There you will see the list of the current activities. Search and click on the title of the course you want to access from the list.

The screenshot shows the ACS American College of Surgeons website. The navigation menu includes Home, Course Catalog, Learner Dashboard (highlighted with a red box and a red arrow), How To Guides, Contact Us, and About Us. Below the navigation, the 'In-Progress' section is visible, with a sub-menu for 'In-Progress Activities' (highlighted with a red box) and 'Certificates & Transcript'. A toolbar contains buttons for View, Edit, Assign credits, Bookmarks, Course credit log, Deleted credit, My activities, Orders, and Roles. Below the toolbar is a table of activities:

Title	Status	Enrolled date
2023 VBE Webinar Series - Gastrointestinal Disease Non-CME	Pre-Activity Question	
ACS DEI Resource and Implementation Toolkit	Evaluation	Mon, 10/31/2022 - 12:26pm

Another way to find the course listing is to click on the “Log in to view your ongoing activities”.

The screenshot shows the ACS American College of Surgeons website. The navigation menu includes Home, Course Catalog, Learner Dashboard, How To Guides, Contact Us, and About Us. Below the navigation, a welcome message is displayed. A list of links is provided, with the first link, "Log in to view your ongoing activities", highlighted with a red box. The other links are: "Log in to review transcript of your completed courses and access your certificates.", "Explore all our courses here.", "Access instructions on how to log in and retrieve your password, enroll in and access a course, search for a course and download certificates.", and "Browse our featured courses below." Below the list, a message states: "Whether you're a practicing surgeon, physician, trainee, other medical professional, or patient, the ACS provides comprehensive resources to enhance your knowledge and improve patient outcomes."

Step 9: Click on course title and the “Take Course” button to begin.
